

RECORDS ARE  
MADE TO BE BROKEN

BUT KANE COUNTY'S RECORD  
**WAS SHATTERED**

Don accepting award from Law Bulletin editor, John Kirkton

Prior to trial in *Narin Bun v. Provena St. Joseph Hospital*, the defense offer was limited because the largest reported verdict in Kane County was \$6 million dollars. After our verdict of \$24,775,000, such an argument could no longer be made.

Don is honored to receive a Jury Verdict Reporter award for Trial Lawyer Excellence and congratulates his fellow recipients.
